Opener's pre-empt rebid (3+level)

Opener's pre-empt rebid after the responder's change of suit

Suit changes are forcing for a round. They need a strong hand and a 6-card suit

- With two cards in that suit the opener should make a support bid .
- He can bid an extra strength at the 3 level
- He can make a control bid at the 4 level
- 3 NT without a fit

Problem 1388 3NT : No spade fit, nothing but clubs!

Problem 1389 4 hearts : rebid at the four level shows a control in that suit and a fit with the responder.
