

## The Opener's NT rebid

### The Opener's rebid After opening 1 club or 1 diamond, the Opener's NT rebid without a major fit.

When, after a bid by the Responder, the Opener realises that there is no likelihood of a major fit, he rebids NT with a balanced hand.

- 1NT with 12-14H>
- 2NT with 18-19H

The Responder then counts the total number of points held between them and rebids according to whether game or a slam is possible.
