

2CA multi : Opening 2CO and 2PI

2♦ multi : Opening 2♥ and 2♠

These bids are used to describe a weak two-suiter. Various systems are possible : Dominique suggests :

- 2♥ showing a weak major two suiter 5-5 or sometimes 5-4 (but then not minimum points)
- 2♠ showing a weak two-suiter with 5♠ and a minor with at least 4 cards
- The strength of these two-suiters varies between 4-9HCP

S	W	N	E
2♥			

A	10	8	7	4	K	7	6	5	3	J	9	9
♠	♠	♠	♠	♠	♥	♥	♥	♥	♥	♣	♣	♦

The bids 2♥ and 2♠ are converted to a 2♦ multicolor opening. Dominique advises that you open 2♥ with a weak major two-suiter and 2♠ with ♠ and a minor suit

2CA multi : Opening 2CO and 2PI

Responder's bids on a 2♥ opening using the 2♦ multicolor convention

The response bid of 2NT is a forcing bid asking for info as on the opening of a 2 weak major using the SEF convention (système d'enseignement français)

- With a weak and regular hand, Responder bids his best major using the law of trumps
- If Game is possible, Responder bids 2NT relay to check out the best possible contract : Game or even Slam

S	W	N	E
		2♥	Pass
3♥			

Exercise E9530 : Here South has a double fit, so he continues the bidding to stop Opps who have the point majority from finding a contract

S	W	N	E
		2♥	Pass
4♥			

Problem E9529

As Responder is fitted, he applies the law of trumps

2CA multi : Opening 2CO and 2PI

Responder's bids on a 2♥ opening using the 2♦ multicolor convention

- With a ♠ misfit, Responder bids 3♣ : Opener passes or corrects to 3♦
- With a strong hand to bid Game (and sometimes even Slam), Responder bids 2NT
