

## Responses to 1CO or 1 PI overcalls or a 1CA opening

### Reponses to 1♥ or 1♠ overcalls , with a fit in partner's suit

You partner with a 1 level overcall has between 8 and 17HCP (With 18+HCP, he would have doubled). Thus he may have 4 point less than for an opening bid. Your responses must take that into consideration.

- With 8HCP and 3 cards support : ,show support at the lowest level
- with more than 8HCP and 4 cards in your partner's suit: Support with a jump. It is merely a proposal for game that the overcaller will accept only with a strong hand.
- With 11HCP and 4 or 5 cards in your partner's suit: bid game

### NT Responses to 1♥ or 1♠ overcalls, without a fit in partner's suit

You partner with a 1 level overcall has between 8 and 17HCP (With 18+HCP, he would have doubled). responses will require 2 points more compared to answers to an opening bid (par rapport aux réponses à l'ouverture). NT answers require a stopper in opps' suit.

- With 8H -12HCP 1NT
- With 13-14HCP 2 NT C'est une simple proposition de manche que l'ouvreur acceptera seulement si sa main est forte.
- With 15+HCP 3NT
