

Hand evaluation in trump contracts

Additional trump cards

Trump cards enable you to get additional tricks by ruffing : if your camp has more than 8 cards in trump, You should add the D (Distribution) points.

- The 9th card in trump is worth 2 points
 - For each additional trump card after the 9th, add a point
 - The sum of the HD points in both hands enables the opener to decide on the right contract to bid.
-
