

Hand evaluation - Points count

You are the declarer, after an overcall

The RHO (Right Hand Opponent) just lead Do not touch a card at the dummy before you have :

- Calculated the total points count of your camp
 - You know the minimum HCP count of the opp that opened ! You almost know the point count of each hand ...
 - Now, count the winning tricks, your losers and then decide on the right way to play that board!
-
