

## Discarding : French system

### The French discard system

It is based on the card count. But in case of emergency... attitude or preference.

- The card count allows the defense to reconstruct the hands
- In case of emergency :attitude

Only advanced players can use this system. You need to be a quite good player to be able to reconstruct the different suits distribution, and to understand the signal system. Others will use Roman discard, Leventhal or attitude.

---

## Discarding : French system

### The French discard system

- First: discard a low card of a 5 carder (with or without any honor)
  - Or : discard the 2nd card of an honorless 4 carders
  - Or : discard a low card of an honorees 3 carder
-
