

## Responses to a 4NT preempt opening bid

**This 'super preempt' bid promises a long minor 2 suiter.**

It shows :

- 2 5 or 6 cards minors (11+ cards total in minors)
- 8-10HCP

following bids :

Your partner will bid his preferred minor at the 5 level... or jump to slam if his hand justifies it.

S	W	N	E
		4 NT	Pass
5 ♣	Pass		

Problem E4203 5 ♣...as we have to choose trump between ♣ and ♦.

S	W	N	E
		4 NT	Pass
6 ♦	Pass		

Problem E4205 the 2 Aces cover the 2 losing Major cards of the opener . the ♣ singleton will enable the opener to establish his suit (by trumping). In a good day you may even make 13 tricks !
