

**A sequence is a run of 3 cards in a suit (at least a 4 carder). La séquence peut être :**

- 
- **Complete, if it has 3 consecutive cards (DV105 for example)**
  - **Incomplete, with 2 consecutive cards only, and the reinforcement of the 4th card (DV98 for example)**
  - **Broken, if there are 3 consecutive cards within the suit (RV1095 for example)**
