

Opener's rebid of 2NT

WIP

After an opening at level 1 and a level 1 response, With a 3rd zone opening and 4 cards in ♠, should you bid 1♠?

It all depends on your strength in the 4th suit!

- If you fear a lead in the 4th suit, bid 1♠
- If you are not afraid of a lead in the 4th suit, bid 1NT

You'll be able to find the best part-score, game or slam in BT, à ♠ or even in the responder's suit. The 2NT bid is strong, but non forcing.

[Exercise E1866](#)

You are not in danger in the 4th suit. Bid 2NT

[Exercise 1867](#)

Without a stopper in the 4th suit, look for a potential fit in ♠. No luck here, no fit! 3NT will make if the opps ♦ break 4-3....
