

Fourth position overcalls with a two-suiter

Overcalling in fourth position doesn't obey the same rules as overcalling right after the opener...

Be careful ! Your partner has already passed, and may have a pathetic hand ! Pay attention to the vulnerability . Green vs Red, you shouldn't have less than: K108xx,KJ9xx,xx,x in the named suits.But, there is no upper limit !

Moreover, biddings have various significations. The meaning depends on the number of suits the opponents have named (1 or 2). Have different meanings :

- cue-bid of the opener's suit
- 2NT overcall
